

Award for the choir "Corale San Vittore"

A good party

dedicated "In Gratitude"

As time passes, it seems like yesterday and already 13 years have elapsed since the party called "In Gratitude" was created by the animators of the association Padre Pio Porlezza and Five Valleys.

The idea was conceived and developed with the intent to evaluate and reward all those people who daily and silently undertake part of their free time to dedicate free of charge to others.

This year, the eyes were directed at the members of the choir Corale S. Vittore of Porlezza, a strong group that is engaged not only in great events, but also on many other occasions, giving a pleasant voice and evocative moments that lead to thoughts and distant memories.

This commitment requires many sacrifices, especially in the hours

of preparation, involving also the whole family.

Sunday, February 6, 2011 after the Mass in the church of Saint Vittore of Porlezza with the performance of the Choir, the festivities were held at the Restaurant "Risorgimento".

During lunch, the Choral S. Victor payed a homage to the guests with some songs, after the awards had been given by the association Padre Pio with a parchment to each member of the choir and a memorial plaque given by Mayor Sergio Erculiani to the choral conductor Tismar Henning.

A dutiful thanks goes to all the people who have contributed to the success of the party and that "animate" the association.
